School District Report.

Superintendent's Report.

To the School Board and Citizens of Hill:

A year ago we started our report with these words: "The Hill schools have been handicapped in their work since September by the overcrowded condition of both Primary and Grammar rooms."

The same holds true this year. We have too many pupils in each room for the size of the room. The cubic feet of air per child is inadequate and not up to standard. This crowded condition affects the health of the child and the efficiency of teaching.

It was hoped and expected that the number of pupils would be fewer this year, thus relieving conditions and solving the problem confronting the school board. At times the number was reduced by families moving from town, but only for a short time as other families moved in. The problem is still to be solved.

The interest of the pupils seems to be good and progress fairly satisfactory in most cases. The number in the village school at present is as follows: Primary 34, Grammar 23. The number attending Junior and Senior High Schools in Franklin at present is 23.

I urge you to study the statistical table in this report; note particularly the per cent of attendance, the average daily absences and number of tardinesses. Cannot you parents help to improve these records, by taking care to have your children in school every day and on time?

The graduating exercises of the 7th Grade pupils last June were much enjoyed by all and well done by the pupils. The following were promoted from the 7th Grade and took part in the exercises: Leslie Andrus, Frances Braley, Clayton Hill, Merton Swett, Clinton

Wheeler, Marjorie Wilson, William Crosby, Gilford Jones, Reita Calley, Merville Rice. Seven went away to school.

Two new members of the school board have been appointed since the last school meeting, due to the resignation of Mrs. Rounds and the change of residence of Mr. Crowell.

We were deprived of the services of Mrs. Blake for a time because of her unfortunate accident, and were glad of her splendid recovery and of her return to her school duties again.

We urge citizens to visit the schools more. The schools are yours. Do not wait for special days; come any day and see for yourselves what is being done in the school room with your children.

The pleasant relations of School Board and teachers with the Superintendent this past year have been much appreciated.

F. S. LIBBEY, *Superintendent of Schools.*
